Dear All

We have produced some documents which we hope you will find helpful in helping you to think about your plans for reopening

- The Early Years Reopening Framework (there is also an unshaded version attached if you want to print)
- Checklist to be read alongside the EYs Reopening Framework
- An Early Years collated summary version of the DfE Re-opening guidance documents

The DfE has also published new guidance this evening on preventing and controlling infection, including the use of PPE, in education, childcare and children's social care settings during the coronavirus outbreak. The guidance can be found at the following link [Safe working in education, childcare and children's social care](#)

Best wishes

Carolyn
