

The Survey will be open from
5th October 2020 to 2nd
November 2020

Annual Survey

Why are you conducting this survey?

Who can complete this survey?

Any Parent or Carer of a
child/children (0-25) who has Special
Educational Needs or Disabilities.

- ✓ You can complete the survey more than once if you have more than one child with SEND.
- ✓ Your child/young person does not need to have a diagnosis.
- ✓ Your child/young person does not need to have an Education, Health & Care Plan

Complete the survey and have your voice heard!

Essex Family Forum believes all families need to feel valued, listened to, respected and acknowledged – we are experts because of our lived experiences. It is so important to get our voices heard.

We are conducting this survey to measure the current levels of parental satisfaction with local services for SEND Families and to gather data on issues raised by parents and carers.

In particular, Essex Family Forum will strive to ensure that findings from this survey inform the improvement work outlined in the Written Statement of Action. The Written Statement of Action was co-produced by Essex County Council, Essex Child and Family Wellbeing Service, the 5 Clinical Commissioning Groups that serve Essex and Essex Family Forum.

The Written Statement of Action is the plan that the local area was required to produce to address the areas of significant weakness that were identified by Ofsted and the Care Quality Commission during the local area's SEND Inspection in October 2019.

Certain sections of this survey will be repeated periodically to monitor progress and impact for SEND Families of the improvement work. During the next year we will be expanding the topics we include in this survey to ensure that we capture the full experience of SEND Families.
