Subject: Urgent - Please Read - Covid-19 Update 5 November 2020

Dear All

In case you have not yet seen this, I have included the link to the [Education and childcare settings: New National Restrictions from 5 November 2020](#) guidance that came into force today at the start of this second national lockdown.

We have also put together the attached FAQs in response to the questions we are receiving from you. If you have not yet had a response to your questions, please bear with us as we are receiving a high volume of queries and are working through them as quickly as possible.

Also attached is a flow diagram on “**what to do if you get a confirmed case of Covid-19**”, to provide you with an easy to use tool.

Parents survey - we have launched a Childcare in Essex – Parents’ Views survey to seek the views of parents on the childcare they need to access and gain some insight into any possible changes to these needs as a result of Covid-19. The link to the survey is <https://www.smartsurvey.co.uk/s/childcare2020/> and is live now until the 24 November 2020. It would be very helpful if you are able to share the link to this survey with your parents so we can gather in as much feedback as possible.

Best wishes.

Carolyn
