

Early Years Business Management Training 2021

The Essex Early Years Business Management Consultants have used feedback from their previous online event and have now released two more days for online training sessions, including a Childminder specific evening session.

Information and booking forms are detailed below;

Tuesday 26th January 2021 Webinar via Zoom at 10:30am - 12:00pm

Led by the Essex Early Years Business Management Consultants, this session will provide an update on current issues, including funding streams, business and finance. Questions and answers will provide discussion points and identify other key topics. Based on feedback from our trial session in November 2020, these sessions will be held regularly, to focus on current topics and issues facing the sector, so content will vary from session to session.

Attendees can submit questions during the information session, with as many of these as possible answered during the Q&A session at the end. If there is a high volume of questions, and they cannot all be answered in the session, a full written questions and answers document will be circulated after the event.

This session is a free event and is for anyone in Essex who is the owner/governing body or manager of an early years and childcare setting, which includes childminders and schools. To give as many settings as possible the opportunity to attend, we ask that only one person per setting attends.

Childminder Specific session; Wednesday 10 February 2021 Webinar via Zoom at 7:30pm - 8:30pm

Led by the Essex Early Years Business Management Consultants, this session will provide an update on current issues specifically relating to running a childminding business, including working in the context of COVID, managing occupancy, funding streams, business and finance. Questions and answers will provide discussion points and identify other key topics. We are offering this session specifically for Childminders in response to feedback.

Attendees can submit questions during the information session, with as many of these as possible answered during the Q&A session at the end. If there is a high volume of questions, and they cannot all be answered in the session, a full written questions and answers document will be circulated after the event.

This session is a free event and is for anyone who is a registered childminder, or works in a childcare setting on domestic premises, in Essex. To give as many settings as possible the opportunity to attend, we ask that only one person per setting attends.
