

Do you receive funded childcare at a school nursery, day nursery, pre-school or with a childminder?

If so they may be able to claim additional funding each year to spend on enriching your child's learning.

Please turn over for more information

This funding is called Early Years Pupil Premium (EYPP) and is paid directly to childcare settings.

If you receive one of the following benefits, the setting may be entitled to claim this funding.

- Income support
- Income-based Jobseekers Allowance
- Income related employment support allowance
- Support under part VI of the immigration and Asylum Act 1999
- The guaranteed element of pension credit
- Universal Credit, if the parent or carer's annual net household income is less than £7,400, not including any benefits

Or if your child:

- Has been looked after by the local authority in care for at least one day
- Has been adopted from care
- Has left care through a special guardianship

This payment to the setting for your child will not affect any benefits you are claiming.
